How do you find talking about Jesus? Why do you find it hard?

Get it clear

From the passage what stops the apostles talking about Jesus?

Why can they not help speaking about Jesus?

Why is Jesus being the only way to be saved so offensive today?

From the authorities' reaction, why do people not believe?

Live it out

Do you think it was easier or harder for the apostles to speak about Jesus than us today?

Which of the reasons given for speaking about Jesus most encourages you to speak about Jesus?

Think of one person you would like to speak to about Jesus. Pray for each other to have boldness to do so. We will share how we get on next week.
